

Donations Needed:

A duplex fire that occurred on Feb. 6th has displaced one of our Bethlehem Lutheran School families, as well as their immediate relatives who lived on the other side. Therefore, donations are needed for nine people. If you can give any of the items listed below (new/gently used), please place them in the designated area located in the Century Room. Their current living space is limited as they wait for the restoration of their home, so we are looking for these specific items.

Walmart/Target/Kohls gift cards would also be appreciated to purchase more personal items.
