

BLS ART CLUB for October

EXCLUSIVELY for
First and Second Graders

Students in first and second grade are invited to join Mrs. C-G during the month of October to do some creating after school. **Art Club will meet on Tuesdays in October, from 3:20-4:20 p.m., in the art room.** Pick-up each Tuesday, will be in the front entry of the school. We will meet you there at 4:20 p.m.

Due to the number of students in both classes, this afterschool experience will be limited to the first ten (10) students who get their permission slips and payment turned in to Mrs. C-G. The idea for this extra creating time is to explore activities, we wouldn't normally get to in art class.

We are asking that each student artist wanting to participate, have a parent or guardian fill out the permission slip attached, and return it with \$10 – to cover the supplies, plus a snack for the artists. (Artists frequently like to munch on something while they create, and pencils are not that tasty.)

Dates for the first and second grade Art Club will be: October 4, 11, 18, and 25.

I look forward to spending some extra creative time with your student artist. Please turn in the permission slip and money by September 26th, so planning and purchasing can take place before our first **Art Club**.

Thank you,

----- Cut here and return along with payment to Mrs. C-G -----

I give permission for _____,
to attend Art Club with Mrs. C-G on Tuesdays, during the month of October
2022, from 3:20-4:20 p.m., in the art room.
