Weather Related School Closures

We will be using our School Messenger System through Sycamore to send text messages and emails to inform our families of inclement weather decisions. Please be sure to keep your contact information up to date in our records.

If you would like to receive a text message when school is unexpectedly closed due to weather or other unforeseen reasons, you may subscribe to text alerts by logging into your Sycamore account and doing the following:

- Go to 'My School' – 'My Notifications'
- Select the "primary parent" from the drop-down menu (currently we are only able to add one number per family to receive text alerts)
- Make sure the 'Enable Messaging' box is checked
- Select the correct cell phone number in 'SMS' (make sure are code is included)
- Select the correct carrier
- Check – 'School Closing Notifications'
- Click the blue 'Update' button in the upper right corner

The system will only be used for the school to send out notifications. We will not respond to text messages sent to us.

In the event there is a two-hour delay, there will be no 3K or 4K classes held that day and extended care will not be available before classes begin.

If we close early, all students must be picked up as quickly as possible. Extended care will not be available. Please DO NOT call or email the school to get information. Once a decision has been made, we will notify all families that we have accurate contact information for. Answering individual phone calls and emails prevents us from doing this in a quick and effect manner only delaying the notification.
