Have You Completed Re-Enrollment for the 2024-25 School Year?

Fees Increase March 19

Re-enrollment/enrollment is currently being accepted for the 2024-25 school year. To help our planning we ask that re-enrollment take place by Monday, March 18. After March 18 the re-enrollment fee increases and we will open enrollment to new families. We cannot guarantee that seats will be available if you decide to re-enroll later.

Use the link:

https://sycamore.school/family/admissions/register?school_id=2297 or log into your Sycamore account and go to My School / enrollment / Online Portal. At this time, you may also add students from your family who will be new to Bethlehem for the 2023-24 school year.

Remember that re-enrollment is not complete and your child's spot is not guaranteed until all steps are completed AND the enrollment fee has been paid.

Families who were in the WPCP Voucher program for the 2023-24 school year and are applying for WPCP for the 2024-25 school year are not required to pay the enrollment fee but must still complete the online re-enrollment by March 18.

School Choice for BLS

The Statewide Wisconsin Parental Choice Program application period is February 1 – April 18 for the 2024-25 school year. This program is a statewide program that allows eligible families a choice to attend a private school in their area, tuition free. Families are eligible based on an income limit and residency verification. The WPCP voucher is selected through a random drawing of all applications and pays the tuition and registration fees for the year. The application portal will be available on February 1st and accessible at <https://sms.dpi.wi.gov/ChoiceParent/>

Bethlehem is proud to be a participating school in the WPCP, offering families an opportunity for a Christ-centered education. Everyone who qualifies is encouraged to apply.

This does not apply to families who qualify for the WPCP voucher program. If you are a tuition paying family and need help with covering the cost of education you should apply. Application period runs from February 13 – May 31, 2024.
