### Re-Enrollment for the 2024-25 School Year - Fees Increase March 19

Re-enrollment/enrollment is currently being accepted for the 2024-25 school year. We ask that re-enrollment take place by Monday, March 18. After March 18 the re-enrollment fee increases and we will open enrollment to new families. We cannot guarantee that seats will be available if you decide to re-enroll later.

Use the link: [https://sycamore.school/family/admissions/register?school\\_id=](https://sycamore.school/family/admissions/register?school_id=). At this time, you may also add students from your family who will be new to Bethlehem for the 2024-25 school year. Both the re-enrollment process and fee must be paid before the student is enrolled.

Families who were in the WPCP Voucher program for the 2023-24 school year and are applying for WPCP for the 2024-25 school year are not required to pay the enrollment fee but must still complete the online re-enrollment by March 18.

## National Lutheran Schools Week Update

Thank you for supporting our outreach project, Heifer International. Our students and staff brought in \$948.31! The Fourth-Grade class received special bakery cookies for bringing in the most money. They also chose what items to send to families in need. With a rounded up \$1,000, Fourth grade students chose 2 flocks of chicks, 1 heifer, 1 pig, 1 water buffalo, 1 honeybee box and supplies, 1 variety of fruit and vegetable seeds. Amazing! Thank you all for your generosity!

Heifer International has provided farming families around the world with the tools and resources they need to thrive. They work with families in need to create long-term solutions to hunger and poverty.

## 2024-25 Financial Aid

We have changed our financial aid procedures and are now using a third party to process all requests. An email was sent to families explaining the process and deadlines for applying.

This does not apply to families who qualify for the WPCP voucher program. If you are a tuition paying family and need help with covering the cost of education you should apply. Application period runs from February 13 – May 31, 2024.

If you did not receive your email or need a paper copy of the procedures, please contact the school office.
