Praying for Pastor Moon

Last Saturday November 6, Pastor Moon was taken to the hospital after suffering a stroke. He was life-lighted to St. Luke's – Milwaukee for emergency surgery to remove a clot in an artery of his brain. We received great news on Wednesday that he was being released from ICU and was walking on his own! They will continue to monitor him closely for any other clots or bleeding that may occur. They are also running lots of tests to figure out the cause. Please continue to pray for his healing and for his family at this time. A Caring Bridge page has been set up by his family for more up to date information <https://www.caringbridge.org/visit/colinmoon>. Also, a Go Fund Me page has been set up to help with expenses https://www.gofundme.com/f/vhgbn-love-and-support-to-the-moon-family?member=15165403&sharetype=teams&utm_campaign=p_na+share-sheet&utm_medium=copy_link&utm_source=customer

Forensics Showcase

This year's forensics showcase will take place this Saturday, November 13. This year's event is scheduled to begin at 9:00 am and is expected to last until approximately 12:00 pm. Doors at LHS will open promptly at 8:30 am. Please remember that parents and spectators are encouraged to attend, and this event is free of charge. As a spectator, please be respectful of the participants by silencing cell phones and remaining quiet during performances. At this point, we do not have a list of the specific rooms your child will be participating in. However, the participants have been divided into only 2 rooms at LHS: one room for Petry and Prose presentations and one room for Group presentations.

Did You Order Your Yearbooks?

If you have not returned your order for yearbooks, you have until Monday, November 29. Order forms and \$20 per yearbook needs to be turned in by the 29th. We do not order extra yearbooks. The only way to guarantee your student receives a yearbook is to turn in the order form and payment by the deadline. Additional order forms can be found under "Documents", "2021-22 School Forms" in your Sycamore account.

Weather Related School Closings

We will be using the text messaging application through Sycamore to notify you of any delays or closures due to inclement weather. If you have not yet signed up, we highly recommend you do.

- Go to “My School” – “My Notifications”
- Select the “primary parent” from the drop-down menu (at this time we are only able to add one number per family to receive text alerts)
- Make sure the “Enable Messaging” box is checked
- Select the correct cell phone number in “SMS” (including area code)
- Select the correct carrier
- Check – “School Closing Notifications”
- Click the blue “Update” button in the upper right corner

This system will only be used for the school to send out notifications of urgency. We will not respond to text messages sent to us.

You may also tune in to these stations for school closing announcements. WHBL 1330AM, WTMJ Channel 4 Milwaukee and WISN Channel 12 Milwaukee. Information will also be posted on Bethlehem’s Sycamore homepage, Facebook and Twitter pages. In addition, we will email those families that have current email addresses on file with the school.

Please DO NOT call or email the school. Answering phones and emails only prevents us from getting information out to everyone quickly.

In the event there is a two-hour delay, there will be no 3K or 4K classes held that day and extended care will not open before classes begin. If we close early, extended care will close as well.

The following members of our Bethlehem family will observe their birthday during the coming week:

Mrs. Schallock
Leon Wenzel

The following are celebrating their baptism during the coming week:

Maggie Faucher
Emma Krueger
Lucy Lemus
Jaxon Scheidel

Acoustic Guitars Needed for School Music Program

Bethlehem is planning on expanding its music program beyond band. Band has long been an important curriculum at Bethlehem. This expansion is in no way intended to replace or interfere with band. The fact of the matter is not all students have an interest in playing a band instrument. Some students may have an interest in playing the guitar. The school is asking our members to consider donating acoustic guitars. Donations are tax deductible and will become the property of the school.

Expanding the school's music program to guitar initially, would be similar to those students playing volleyball, basketball or soccer after school or early evenings. Lessons will be given in the school's music room at no cost to the student. All materials and string replacements will be provided. What an awesome Evangelism opportunity for Bethlehem as well. This will also be a great opportunity for those students wishing to learn to place and read music.

The program will begin as soon as donations are received. Any questions please contact our Principal Mr. Patrick Vanic at 920-452-5071.

LHS Fall Play

Everyone is invited to two performances of "Superheroes: With Great Power comes Ordinary Responsibility" in the new LHS Worship and Fine Arts Center's Theater. For superheroes, saving the world is tough; but the time spent away from work is harder. For example, The Hulk has to do taxes and Batman is going stir-crazy because there aren't enough criminals to take down. "Superheroes" is a funny, fast-paced series of vignettes that explores how the caped crusaders deal with life in street clothes. A "Meet & Greet" with the Superheroes and free cookies and water will be served after each show in the LHS atrium.

Show Times: 7:00 pm Friday, November 19 & Saturday, November 20
General Admission Tickets: \$10 adult, \$5 student & Senior Citizens (65 and over)
Tickets on sale NOW on the LHS website under the Events tab
