Due to space restrictions, we will only be able to allow two people per band student to attend our Christmas Band Concert, and we will sadly not be able to have the dessert and fellowship hour afterwards. Mr. Schuh is working out details to have a video of the concert taken and posted for those that are unable to attend.

If you have any questions or concerns, please contact Geoff Schuh at geoffschuh@gmail.com.

National Guard COVID Testing Extended

The Sheboygan County Division of Public Health announced on Wednesday that community testing through the Wisconsin National Guard has been extended. Initially scheduled to conclude on Wednesday, the extension will mean Wednesday and Friday sessions will continue into 2021.

Hours are from 10 am until 6 pm at the Sheboygan County Aging and Disability Resource Center parking lot in Sheboygan Falls.

There will be NO testing on Friday, December 25th and Friday, January 1st. Testing is on a first-come, first-served basis, and up to 450 individuals can be tested per day. Registration in advance isn't required and won't reserve a spot, but will shorten wait times and ensure accurate information. To do that, go online
