2021-22 Enrollment Deadline – March 8

Re-enrollment/Enrollment for returning families is now open. To help our planning, we ask that re-enrollment take place by **Monday, March 8, 2021**. We will open enrollment to new families after the March 8 deadline and can not guarantee that seats will be available if you decide to enroll at a later date.

Remember re-enrollment is not complete and your child's spot is not guaranteed until all steps are complete **AND** the enrollment fee has been paid. Enrollment fees for next year should not be included on the same check with payments for this year. Families who do not complete the re-enrollment process and pay their enrollment fee by March 8 will be charged a \$75 per student late fee.

To re-enroll, log into your Sycamore Site and go to My Sycamore / My School / Enrollment / Online Form. You may also use the link <http://app.sycamoreschool.com/enroll.php?schoolid=2297>. Be sure that the re-enroll box is marked and all prefilled information is correct. You will be able to edit, add or delete information as necessary. Near the end you will have the option to print several forms. Print, complete any forms that pertain to your child and turn into the office. You may also add students from your family who will be new to Bethlehem for the 2021-22 school year during this process.

If you are using a Chromebook or iPad, us the link

Bethlehem is again participating in the Wisconsin Parental Choice Program (voucher program), also called WPCP for the 2021-22 school year. Tax Deductions

Remember, tuition payments made before December 31 may be able to be used for the State of Wisconsin tax deduction for private school families on your 2020 income tax return.

The State of WI, allows parents to deduct private school tuition. Parents could receive an income tax deduction of up to \$4,000 for tuition paid for each kindergarten through eighth grade student and up to \$10,000 per high school student. We highly recommend that families work with their tax advisor to determine benefits.
