Outdoor Recess

Just a reminder as the weather fluctuates day to day and sometimes hour to hour your children are going outside for recess. Some days are still pretty cold and the wind can make it even worse. Please make sure your children have hats, mittens and appropriate outdoor clothing at school.

MAP Testing

Students in grades 5K – 8 will take the MAP (Measure of Academic Progress) tests for Math and Reading between April 4 and April 22. Tests like these are among the most important tools we have for evaluating individual student academic progress and our curriculum as a whole. These tests can identify strengths and weaknesses and determine which areas, if any, a student may need help in and in which areas he or she excels. Encourage your child to do their best, take the test seriously, but not to worry about the results. For each testing day, please ensure that your child gets plenty of sleep, eats a good breakfast and wears comfortable school appropriate attire.
