Road Closures

We have been notified that road construction will be taking place around school beginning Monday, April 19. Georgia Avenue between 8th and Business Drive and South 10th Street between Clara and Alabama will be closed for the remainder of the school year. This is going to make a bad traffic situation worse. We are doing our best to try to minimize traffic issues. A separate handout is being sent home with an alternate traffic plan along with drop off and pick up procedures that we will be trying. Please be aware we may need to adjust this plan. For safety reasons we will need the help of all families to follow alternative plans. Please work with us and allow for extra time in the mornings and afternoons.

Final Tuition Statements

Families who are on the 10 month billing cycle are receiving the last statement of the year for tuition and band this week. Unless previous arrangements have been made all balances for enrollment, tuition, band and other fees should be paid by Monday, May 3.

Any unpaid balances or failure to have made adequate arrangements with Mr. Vanic may result in withholding of report cards, student records, and graduation diplomas.

Mask Requirement

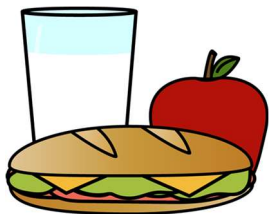

We continue to require masks to be worn by students, staff and visitors while in the building. Please continue to send your student with a mask in mornings and remind them of the importance of protecting themselves and others around them.
