May 21, 2021

This is the final newsletter of the school year. What a year it's been! We did not know at the beginning of the year how long it would be before we would have to go all virtual. We made it! Thanks to everyone who kept their child home when feeling any sort of illness, and cooperating with quarantine and operating guidelines. We could not have done it without you!

We thank you for your patience and the privilege of being able to work with your children during the past year. We hope and pray that through our words and actions, we have served as tools of the Holy Spirit to bring your children closer to their Lord and Savior, Jesus Christ. Enjoy your summer and until next year!

Congratulations to the following Bethlehem students who were confirmed on Sunday, May 16 at Bethlehem Lutheran Church.

If you will be returning to Bethlehem for the 2021-22 school year and have not yet completed your online enrollment, we encourage you to do so. Your student is not considered enrolled and a spot is not guaranteed for them until the enrollment has been completed and the enrollment fee paid. ALL families attending Bethlehem for the 2021-22 school year are required to complete this process. This includes families receiving WPCP school vouchers.

To re-enroll, log into your Sycamore site and go to My Sycamore / My School / Enrollment / Online Form. You may also use the link <http://app.sycamoreschool.com/enroll.php?schoolid=297>. Be sure that the re-enroll box is marked and all prefilled information is current. You will be able to edit, add or delete information as necessary. You may also add students from you family who will be new to Bethlehem for the 2021-22 school year during this process.

Reminder for Students Starting 5K and 6th Grade in Fall

Students entering 5K and 6th grade in fall require additional immunizations. Summer is an excellent time to have your child visit their health care provider for an exam and to receive the needed vaccines. Don't wait until everyone is trying to get in to the physicians in the fall. Please notify the office of any new vaccines so we can update their school records.
